The boys were up next, George, Henry and Ernie, with George finishing 7th, Henry finished in 9th and Ernie finished with a brilliant flourish, despite carrying an injury. The Y6 boys team finished 4th overall, well done to all in year 6!

Then it was the turn of the Y5 girls team, with Elsie, Poppy, Isabelle and Eliana all running their socks off! Elsie finished in 1st position and the team finished first overall due to the brilliant efforts and final positions of all four girls, we are so proud of you!

Year 5 and 6 Football Tournament Report

Date: Thursday 8th October 2026

Venue: Codsall High School

Our Year 5 and 6 football team took part in an exciting football tournament at Codsall High School on Thursday 8th October. The pupils showed great determination and teamwork throughout the event, competing against some strong opposition.

The team played four matches, achieving one win, one draw and two defeats. Despite facing some challenging opponents, all of the players battled hard, demonstrated good sportsmanship and continued to give their best in every game.

The tournament provided a fantastic opportunity for the pupils to develop their football skills, build confidence and gain valuable experience of playing competitively against other schools. It was particularly pleasing to see the team work together, encourage one another and show a positive attitude throughout the evening.

Most importantly, all of the pupils thoroughly enjoyed the experience and represented our school brilliantly. They should be very proud of their efforts, commitment and behaviour both on and off the pitch.

Well done to everyone who took part! It was a great day of football, and we look forward to seeing the team continue to develop and build on this experience in future tournaments.
